5) Unter Drivers & Downloads, Windows anklicken (für Mac = Macintosh)

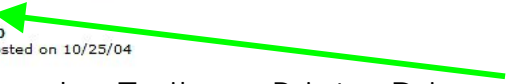

Drivers & Downloads

NOTE: Visit our [ICC Profiles for Stylus Photo 2200](#) page for access to ICC profiles produced by Epson America, Inc. In most cases, these custom ICC profiles will provide more accurate color and black and white reproduction than with the standard profiles already shipping with every printer. The profiles are provided free of charge and are posted "As Is", without Warranties or Support.
